ALL-COUNTY LETTER NO. 85-09

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: CHANGES IN FOOD STAMP BOOKS

In All-County Letter No. 84-69, dated July 9, 1984, counties were notified of forthcoming changes in the Food Stamp Books. This is to advise you that the newly configured Series 1984 \$50 Food Stamp Books will soon be shipped by the Food and Nutrition Service (FNS).

County Welfare Departments (CWDs) with automated mail issuance systems should note that the new \$50 books contain only 6 coupons rather than the 11 coupons as in the old books.

Attached is a fact sheet for the new \$50 books which contains technical information for counties with automated mail issuance equipment. Please ensure your issuance agents are informed of these changes.

These changes will have no effect on the ordering system. There will be no recall of the old series books; and, all books from previous series are to be issued normally.

If you have any questions, please call your respective Food Stamp Program Corrective Action Consultant at (916) 322-5475 or ATSS 492-5475.
